2005

## SUPPLIES NEEDED!

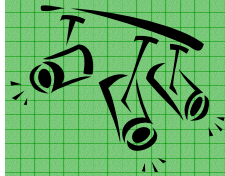

ASD residents are in critical need of lotion, bar soap and hair care products, including ethnic hair care items. All donations are greatly appreciated. Call 214-941-0523 if you can help.

## **JESUIT COLLEGE PREP HOLDS DETERGENT DRIVE, COOK-OUT**

On Saturday, September 10, Jesuit College Prep delivered the results of their annual detergent drive and concluded the delivery with an all-ASD resident cook out at Revlon's Courtyard.

This year marks a record year for Jesuit, with 1,039 containers of detergent collected!

Thank you to the Jesuit students, as well as the faculty and staff who teach these young men that "the key to service is a sense of presence."

## **VOLUNTEER SPOTLIGHT**

*A very special thank you to ASD trustee and volunteer **Kurt Heimsath** for heading our float-building team!*

For six weeks, Kurt and many residents from all ASD buildings met on Saturday mornings (and a few Sundays) to build the beautiful float – complete with DJ booth – that represented

ASD in the Alan Ross Texas Freedom Parade.

Thanks also to the community volunteers and ASD staff who donated their time (in the 95 + degree HEAT) on parade day. You enabled us to fulfill our role as a parade beneficiary and to receive proceeds from the event, which will provide for the needs of our residents.

In the wake of the tremendous needs created by Hurricane Katrina, ASD appreciates the special-effort grooming supply drives by Metropolitan Community Church of Greater Dallas & Texas Capital Bank, whose goals were to make sure that ASD was not forgotten.

## **ASD RESIDENTS GIVE BACK AFTER TRAGEDY**

Residents and staff at Hillcrest House recently had the opportunity to turn the tables and become community donors themselves.

The residents and staff raided their personal supplies and loaded a bus full of items to deliver to Reunion Arena to the victims of Hurricane Katrina. The donation was so large that Reunion Arena could not accept it, but The Salvation Army graciously accepted the items.

## **UPCOMING VOLUNTEER OPPORTUNITIES**

(IF YOU CAN HELP, PLEASE CALL 214-941-0523, EXT. 110)
